

### To Enable QuickBooks® Desktop Direct Connect:

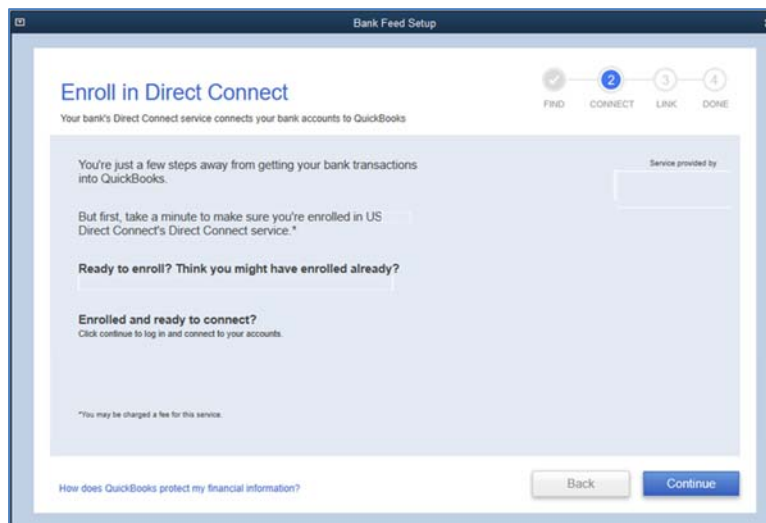

Open QuickBooks on your desktop and go to **Banking** → **Bank Feeds** → **Set up Bank Feed for an Account**.

Start typing First Federal Bank to see match results populate. Select **First Federal WI Commercial QBCD**.

Select **Continue**.

Enter your Business Online credentials (Business Online security tokens will not work) and select **Connect**.

If you are a Business Online user and have a security token, please contact Michael Berry at [mberry@ffbwi.com](mailto:mberry@ffbwi.com) or Froylan Dominguez at [fdominguez@ffbwi.com](mailto:fdominguez@ffbwi.com) for a separate credential.
